		It was discovered early in 2012 that one of the Shelter's management employees, with the assistance of other lower level staff, had been involved in an extensive fraudulent billing scheme for the past three years through the use of shell companies. The Shelter was billed and paid for goods that it did not receive or that were marked up substantially over purchase price. The Shelter's management fired the individuals involved in the fraud, and turned the case over to the Tarrant County. District Attorney. The instigator pled guilty to the felony charge of theft in the amount of \$48,675. He was sentenced to 60 days confinement in the Tarrant County jail, agreed to forfeit \$32,071 in his bank account, pay an additional \$10,000 in restitution to Presbyterian Night Shelter, have no contact to any Presbyterian Night Shelter employee, events, etc. and to five years of probation.

Form 990, Part VI, Line 12c	Form 990, Part VI, Line 12c Explanation of Monitoring and Enforcement of Conflicts	On an annual basis each board member is required to sign the disclosure statement which requires board members to specifically detail any individual or business-related exceptions that may apply. The exceptions are reviewed by the executive committee and procedures are followed to determine if a conflict exists and appropriate actions to take.
Form 990, Part VI, Line 11	Form 990, Part VI, Line 11 Form 990 Review Process	Presbyterian Night Shelter utilizes the following review process before filing the 990 and attachments with the IRS. The executive management reviews the return in detail with the paid preparer, the return is the forwarded to all members of the board prior to signature and filing.
Form 990, Part VI, Line 5	Form 990, Part VI, Line 5 Description of Material Diversion of Assets	Subsequent to year end, a group of staff members were found to be involved in a highly collusive and elaborate fraudulent misuse of the Shelter's resources over the approximate period of 2009 to 2012. This discovery is shocking and disappointing to find such a deliberate act against the homeless clients, community and donors that support the Shelter. The Shelter has very clear expectations of its employees that they behave in an ethical manner, abide by the Shelter's policies and adhere to state and federal law. As a result, all known employees involved have been dismissed, all Shelter findings have been filed with the District Attorney's office on behalf of the Shelter. The Shelter has also gone through a thorough analysis of procedures to prevent an incident such as this from happening again as well as contracting a third party to review all policies. The Shelter holds a theft and criminal insurance policy. A claim has been made on this policy for the resources lost and management has accrued an estimate of \$84,000 which expected to be recovered under the insurance policy. In accordance with generally accepted accounting principles, the financial statements have been restated to reflect the insurance receivable owed to the Shelter and the related impact on retained earnings.
Form 990, Part III, Line 4d	Form 990, Part III, Line 4d Other Program Services Description	OTHER PROGRAM SERVICES 4 The Lowdon Schutts shelter for women and children at PNS provides emergency shelter and transitional living services to homeless women with high risk prenancies and women with children. This shelter is the only one of its kind in Fort Worth that accepts women with teenage children. In addition to their nights of stay, the client receives three meals a day and two snacks for the children. The families also have access to show er facilities, case management services and parenting classes. The Lowdon Schutts Women & Children Emergency Shelter program collaborates with Cook's Children's Hospital which meets with clients weekly to assess their health and well being. In addition to a program manager, three case managers work with the parent to ensure compliance with the local school district guidelines and conducting activities to enhance the child's overall well being. Case management services include assistance with securing housing, employment and securing additional income (Food stamps, SSI, SSDI, etc.) for those able to work. Case managers also assist clients with obtaining critical documents such as social security cards, birth certificates and state identification. In 2011, PNS served approximately 200 single parent families. The objectives of the Lowdon Schutt's Women & Children Emergency Shelter program are 1 to move consumers out of the cycle of homelessness, 2 to increase parenting skills and 3 to decrease the need for crisis intervention with these families including referrals to CPS and calls for emergency services. OTHER PROGRAM SERVICES 5. Safe Haven is a transitional housing program without length of stay requirements designed to serve individuals who meet both the definitions of chronically homeless and mental illness.
